

August 27, 2002

To Whom It May Concern:

This letter will confirm that South Florida Business Association is a new member in good standing of the Manatee Chamber of Commerce. They publish hand-painted, watercolor city and county maps in cartoon style.

South Florida Business Association completed maps of Lee County, Naples, Marco Island and Palm Beach County. They are in process of completing a similar map commemorating the Centennial Celebrations of the City of Sarasota. It is our understanding that they will be creating a similar map of Bradenton/Manatee County, which will be published in January 2003. As a member of the Manatee Chamber of Commerce, SFBA will be permitted to place the new maps in the Chamber's downtown office.

Sincerely,

Joni Korzen,
Director
Drug Free Workplace
Manatee Chamber of Commerce
